

24 February 1969

NOTE FOR JMM

SUBJECT: Recruiting on Franklin and Marshall Campus

1. The Director bucked Representative Edwin D. Eshleman's (R., Pa.) letter dated 18 February 1969 requesting our recruiters to go to the Franklin and Marshall campus prior to 3 March to D/Personnel.

STATINTL

2. [] in Wattles office, called this afternoon and read the attached draft letter from the Director to send back to Eshleman. The letter recites all the facts I reported to you on 20 February from Personnel. I told [] he first should review the letter with Wattles and that Wattles might recommend that we might attempt to handle this orally with the Congressman rather than writing a letter as detailed as the one proposed.

STATINTL

3. Per [] Wattles agreed and called Elizabeth who recommended that you bring the subject up at the 9:00 a.m. meeting on 25 February recommending that the matter be handled directly with the Congressman rather than by letter signed by the Director.

STATINTL

4. Bio is attached. Eshleman is a second-termer. I have dealt with him several times in the past and he appears to be a reasonable guy.
